

AMAN DWIVEDI

SOFTWARE DEVELOPER

Mumbai | dwivedi.aman2811@gmail.com | +91 9653352298

Driven by curiosity, I pursued Computer Science and discovered my passion for building applications. Starting with Python for problem-solving, I later explored web technologies and mobile app development with Flutter and Firebase. Through projects and practice, I developed strong technical skills and now aspire to grow as a developer contributing to impactful solutions.

SKILLS

Problem Solving, HTML, CSS, JavaScript, React, Tailwind CSS, TypeScript, PHP, GitHub, Git, Version Control, NodeJs, ExpressJs, Firebase, SQL(PostgreSQL, MySQL), MongoDB, REST API, Python, n8n

Mobile: Flutter, React Native, Dart

Data Analytics: PowerBI, Pandas, Excel, Scikit Learn

PROFESSIONAL EXPERIENCE

Software Developer (PSHG Technologies Pvt. Ltd.)

July 2024 - Present

- Built Flutter mobile applications with interactive UIs, ensuring smooth navigation and responsiveness.
- Integrated real-time data handling in apps, reducing manual effort and enhancing user experience.
- Collaborated with senior developers to debug and resolve performance issues across platforms.

Kotak Education Foundation (Computer Network Intern)

Dec 2023 - Mar 2024

- Assisted in configuring and maintaining LAN/WAN networks, ensuring stable connectivity across systems.
- Documented processes and prepared reports on network usage and issue resolutions for internal use.

PROJECTS

- Swayam Sevak** - Flutter app for NSS unit of VESASC college; linked with Power BI dashboards to monitor student activities and attendance.
- Red Count** - Android Application for Blood Donation; Implemented a data tracking and reporting feature to monitor donations using Firebase and dynamic visualization.
- Mallakhamb Heros** - Website for Sports Academy

EDUCATION

University of Mumbai (Bachelors in Computer Science)

July 2022 - Mar 2025

- VES College of Arts, Science & Commerce
- Relevant coursework: Technical Head (NSS 2023 - 25)
- GPA - 7.77

LEADERSHIP & ACHIEVEMENTS

- NSS Volunteer:** Led and participated in multiple community service initiatives
- Awards/Activities:** Best Creative Award: Mera Bharat Mahan Competition, 1st Prize: Street Play Competition on HIV/AIDS awareness – MDACS & Red Ribbon Club, Finalist in Hackathon (Hack with Mumbai - Sep 2025)
